EDUCATION:

- Ph.D. *Clinical Psychology*, Virginia Commonwealth University (VCU), 1985
- MS *Clinical Psychology*, VCU, 1981
- BS, *Psychology*, Edinboro State University, Edinboro, PA, 1977

LICENSURE:

VA Board of Psychology, **Clinical Psychologist**

PROFESSIONAL EXPERIENCE:

Jan. 1998 - *Director, Medical Psychology & Rehabilitation Neuropsychology*
Present *Concussion Care Centre of Virginia*
10120 West Broad Street, Suite H
Glen Allen, Virginia 23060

Responsibilities include providing comprehensive neuropsychological & medical psychology assessment & rehabilitation services in the context of comprehensive outpatient, residential and transitional rehab. programs conducted in collaboration with Nathan D. Zasler, MD.

Sept. 1997 - *Rehab Psychology / Neuropsych.*
2002 *Contract Service Provider*
Virginia Rehabilitation Center for
the Blind, Richmond, Virginia

Responsibilities include overseeing rehabilitation psychology & neuropsychology services to VRCBVI resident clients (visually impaired and dual ABI), including assessment, individual & group cognitive-behavioral & behavioral and consultation interventions.

Jan. 1986- *Director, Medical Psychology*
Jan. 1998 *Shelting Arms Rehabilitation*
Hospital, Richmond, Virginia

Clinical responsibilities in a comprehensive, continuum of care rehabilitation network

providing interdisciplinary services to physically & cognitively impaired adults (i.e. CVA, TBI, SCI, Neuromuscular, Musculoskeletal, etc.) included:

- **Senior clinician - provide, supervise, oversee individual, group, behavior management, neuropsychological assessment & rehabilitation & consultation services to in-, out-, day-, and transitional living patients, families & staff members;**
- **Coordinate & integrate neuropsychological services into interdisciplinary rehabilitation team effort;**
- **Program development, including postdoctoral training, diagnostic and treatment protocols (e.g., diagnostic-specific assessment protocols, neuropsychological rehabilitation, behavioral management, chronic pain management, Biofeedback, specific treatment regimens, staff consultation, community reintegration, automated test [& battery] scoring/ norming);**
- **Develop, implement & monitor an innovative continuous quality management system for clinical service delivery;**
- **Conduct continuing staff training/education, continuing professional & community education;**
- **Provide, supervise neuropsychological assessment, treatment services to Virginia Rehab Center for the Blind clients.**

Administrative duties included: Streamlining administrative duties; Developing/ managing budget (revenue & expenditures); Directing growth of department; Devising, directing, reporting & evaluating a unique program evaluation/ continuous quality improvement program integrated with a criteria-based performance evaluation system; Some limited clinical management activity.

July 1995- *Commissioner of Psychology*
June 2006 *Commission on Health Care*
Certification, Midlothian, VA

Develop protocols, propose national standards for evaluating psychological component of impairment, disability and functional capacity, and conduct biannual training of National Association of Disability Evaluating Professionals (NADEP) members.

May 2002 - *Visiting Associate Professor*
Present Department of Rehabilitation
Medicine, University of Virginia,
Charlottesville, Virginia

Collaborate on ongoing research projects and medical professional training.

Dec 1999 - *Adjunct Professor*
Present Department of Rehabilitation
Counseling, Virginia Comm.Univ.

Liaison, Instruction of graduate courses in Rehabilitation Counseling.

May 1997- *Assistant Clinical Professor*
2005 Department of Psychiatry,
Medical College of Virginia

Contribute lectures to graduate Neuroscience course. Collaborate on ongoing research projects. Participate in Liaison Activities.

Jan. 1990- *Assistant Clinical Professor*
Present Department of Psychology,
Virginia Commonwealth Univ.

Instruct graduate Neuropsychological Assessment course. Supervise practicum students. Participate in Liaison Activities.

Mar. 1986- *Post-Doctoral Resident*
Sept. 1987 Sheltering Arms Rehabilitation
Hospital, Richmond, Virginia

Post-Doctoral Residency Supervision in neuropsychological assessment and rehabilitation & rehabilitation psychology from J. S. Kreutzer, Ph.D., and M. L. DuVall, Ph.D; Weekly attendance, joint Neuropsychology Rounds.

Aug. 1985- *Neuropsychological Examiner*
Jan. 1986 Neuropsychological Services of
Virginia, Richmond, Virginia

Employment/training in neuropsychological assessment for outpatient, primarily adult population, Aug., 1985 to Jan., 1986, under clinical supervision of Edward A. Peck, III, Ph.D., ABCN.

Sep. 1984 *Clinical Psychology Intern*
Aug. 1985 Psychology Service, H. H. McGuire
VAMC, Richmond, Virginia

A.P.A. approved internship at Richmond, V.A.M.C., 1984-1985, emphasizing neuropsychology focus: 1) Rehabilitation Medicine - neuropsychological assessment & cognitive rehabilitation, behavioral management, short term cognitive- behavioral therapy, treatment team planning; 2) Neurology - neuropsychological assessment & rehabilitation; biofeedback-assisted treatment of neurological, neuromuscular, musculoskeletal, & vascular disorders; Neurology, Neurosurgery & Brain Cutting Rounds; 3) Medical Psychology - consultation, psych./neuropsych. assessment, treatment, program development on Oncology, Cardiology, Pulmonary, GM & S wards; 4) Outpatient Psychiatry & Drug Dependency Unit - traditional, psychophysiological, anxiety, habit, hypnosis & short-term psychotherapy, skills training; psych. / neuropsych. assessment.

Aug. 1982- *Psychologist / Research Associate*
Aug. 1984 TMJ and Facial Pain Center,
Medical College of Virginia, Richmond

Functions in a multidisciplinary center included: 1) team research participation, supervision/ conduction of data storage & analysis, design/conduction of new research programs; 2) psychological assessment, individualized multimodal treatment interventions (e.g. cognitive-behavioral, biofeedback, relaxation, lifestyle modification).

Aug. 1981 *Adjunct Faculty*
Dec. 1983 Department of Psychology
Virginia Commonwealth Univ.

Instructed undergraduate courses: Abnormal, Personality, Stress-management.

Jan. 1981- *Data Management/Research*
Consultant
Jan. 1987 Self-employed (part-time)

Data analysis, interpretation, consultation re: research design, data management & statistical analysis of research data bases.

SELECTED POSTER PRESENTATIONS:

1. Liljedahl, E.L., Martelli, M.F., Nicholson, K. and Zasler, N.D. (2000). Disability Resources on the World Wide Web. Presented at the American Psychological Association 2000 Convention, Washington, DC.
2. Liljedahl, E.L., Martelli, M.F., Nicholson, K. and Zasler, N.D. (2000). Internet Disability Resources in Neurologic Rehabilitation. Presented at the 19th Annual National Symposium of the Brain Injury Association, Chicago.
3. Liljedahl, E.L., Martelli, M.F., Nicholson, K. and Zasler, N.D. (2000). Useful Internet Disability Resources in Brain Injury Rehabilitation. Presented at the Williamsburg Traumatic Brain Injury Conference, 24th Annual Meeting, Williamsburg, VA.
